

You can use this survey to tell us about traffic and the street environment in the South Bristol Liveable Neighbourhoods area shown in the map - what you currently like and things you want to be improved. We ask you what this issue is, where it is, when it occurs, and if you have ideas for what might make it better.

You can complete this survey form as many times as you want to report different issues. You will have an option to start a new form at the end of this one.

[If you would prefer to use an interactive map to report issues instead, you can do so here.](#)

Once you have reported all the issues you want to, you will be redirected to an equalities monitoring form. Answering this will help us see if people in different parts of Bristol and different circumstances have different views. We do not ask anything that would identify any individual person.

This survey closes at midnight, **Sunday 13 October 2024**.

If you need this consultation survey as a paper version, Easy Read, or Braille, large print, British Sign Language, or in another language, or other alternative format, you can request this by contacting liveableneighbourhoods@bristol.gov.uk or by calling 0117 903 6449.

1. Please select something you like about the area or something that is an existing challenge. You will be prompted to give details of where and when the issue occurs in the following questions.

- ☐ Something I like about this area
- ☐ Problems with car parking
- ☐ Air pollution
- ☐ Speeding traffic
- ☐ Not safe for cyclists
- ☐ Not enough cycle / e-scooter parking
- ☐ Narrow pavements
- ☐ Poor accessibility for wheelchairs, prams and pushchairs
- ☐ Lack of crossings
- ☐ Lack of bus services
- ☐ Not enough green space
- ☐ Problem with road signs
- ☐ Personal safety / security concerns
- ☐ Other (please specify):

If you selected 'Something I like about this area', please say what:

2. Please tell us about the thing you are reporting.

3. Please name the street / streets where this occurs:

4. Does this happen on a specific day of the week? Please tick all that apply:

- ☐ Every day of the week
- ☐ Weekday
- ☐ Saturday
- ☐ Sunday

5. Does this happen at a particular time of day? Please tick all that apply:

- ☐ At all times
- ☐ 6am - 10am
- ☐ 10am - 3pm
- ☐ 3pm - 5pm
- ☐ 5pm - 7pm
- ☐ 7pm - midnight
- ☐ Midnight - 6am

Potential improvements

The next question asks about how we could improve the issue you are telling us about. You can choose from a list of common improvements or suggest your own.

You can read information about each of the commonly used improvements by following these links. Please note these links will need to close the improvements window to return to the survey.

- [Priority to pedestrians and cyclists at side road junctions](#)
- [Safe crossings and junctions](#)
- [Wider / clearer pavements](#)
- [Protected cycle tracks](#)
- [Cycle / e-scooter parking](#)
- [Cycle hangars for residents](#)
- Priority access to walking, cycling and public transport ([modal filters](#), [diagonal filters](#), [bus gates](#), [one-ways and no-entries](#))
- [School streets](#) (temporary restrictions on motor traffic at school drop-off and pick-up times)
- [Managing on-street car parking](#) (local measures to manage unsafe parking or area wide solutions such as match-day parking and residents' parking schemes)
- [Managing unsafe vehicle speeds](#)
- [Electric vehicle charge points](#)
- Change parking / road spaces to green and social areas ([parklets](#), or [pocket parks](#))
- [More street trees and planting](#)
- [Street art](#)

- [Street lighting](#)

6. For the thing you are telling us about, how do you think we could make this better? Please tick all that apply:

- ☐ Do not change anything
- ☐ Priority to pedestrians and cyclists at side road junctions
- ☐ Safe crossings and junctions
- ☐ Wider / clearer pavements
- ☐ Protected cycle tracks
- ☐ Cycle / e-scooter parking
- ☐ Cycle hangars for residents
- ☐ Priority access to walking, cycling and public transport (modal filters, diagonal filters, bus gates, one-ways and no-entries)
- ☐ School streets (temporary restrictions on motor traffic at school drop-off and pick-up times)
- ☐ Managing on-street car parking (local measures to manage unsafe parking or area wide solutions such as match-day parking schemes)
- ☐ Managing unsafe vehicle speeds
- ☐ Electric vehicle charge points
- ☐ Change parking / road spaces to green and social areas (parklets, or pocket parks)
- ☐ More street trees and planting
- ☐ Street art
- ☐ Street lighting
- ☐ Other (please specify):

7. If there are any other details you would like to provide about this, please do so here:
